

DECLARATION OF COINAGE AND FIRST RECORDED USE

Name: David Rowsey

Date of record: September 23, 2026

Recorded conversation timestamp: 2026-09-23T06:24:34Z

TERM

Spoken/microphone form: "Jivit" (also heard/transcribed as "Jivet" or similar variants)

Canonical written form: givet

Canonical spelling: G-I-V-E-T

Unit symbol: G

DECLARATION

David Rowsey states that he coined the term "Jivit" as a measurement of magic/mana for his fictional setting, Storybook One.

For Storybook One, the canonical written form of the term is "givet" (G-I-V-E-T).

DEFINITION

- One givet (G) is one unit of measured magic/mana.
- Magical energy input is measured in givets.
- Magical energy throughput is measured in givets.

AUTHORSHIP / ATTRIBUTION

This document preserves David Rowsey's contemporaneous statement, made in a ChatGPT conversation on September 23, 2026, that he coined the term and established its use as a measurement unit for magic/mana in Storybook One.

This record is intended as dated evidence of the statement and authorship claim. It is not, by itself, an independently certified government record, notarization, copyright registration, trademark registration, or legal determination of priority.

For stronger independent evidence of date and priority, this declaration can be published through a service that provides a persistent public timestamp or independently notarized/timestamped record.
